5th Circuit decision on CAFO Rule	03/16/2011 12:56 PM	

## Document Body

I'm feeling like "déjà vu all over again". In 2004, we were just about to propose revisions to Subtitle E to align with the 2003 CAFO rule, when the 2<sup>nd</sup> Circuit Court decision came out. Now this.

I know you are still reviewing the decision, as we are, but if this decision is binding on Illinois, we will need to have some conversation about whether it affects any commitments in our CAFO work plan .
